Terms & Conditions

Terms & Conditions

Teachers Mutual Bank Mobile Banking App Terms of Use

These terms govern your use of the Mobile Banking App, together with the Conditions of use —Accounts and access and any other relevant terms and conditions governing your accounts (collectively called the Terms and Conditions.) You should read and understand these Terms and Conditions before using the app as downloading the app from the App Store or Google Play is your acceptance of these Terms and Conditions.

If you are an existing Mobile Banking App user, these Terms of Use will replace the Terms of Use previously accepted by you

A: Introduction – The Mobile Banking App*

What is the Mobile Banking App?

It is an app that you download onto your mobile device. It enables you to perform a range of banking services using that mobile device. You can download the app onto up to four mobile devices.

Where can I find the app?

The app is available for download without
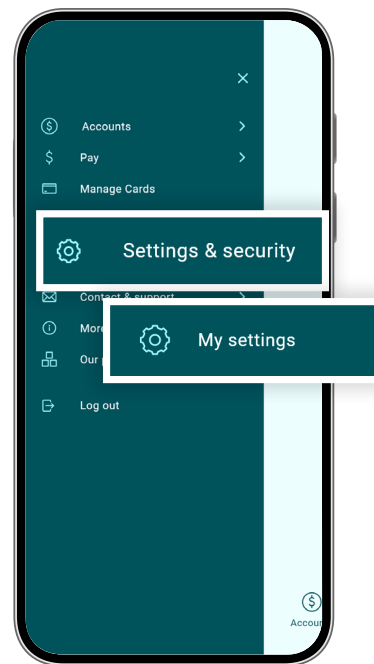

Decline   Accept
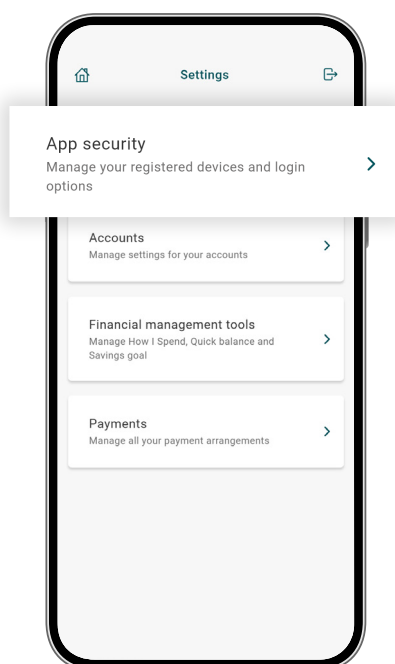

Manage your Password

Reset your log in details

1 From the home screen, tap on the **three horizontal lines** in the top-left corner. The **main navigation menu** will appear.
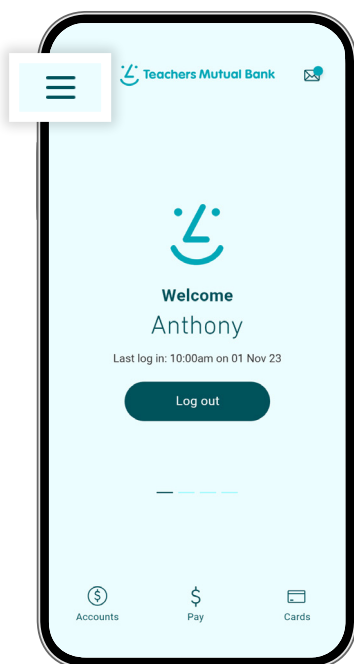

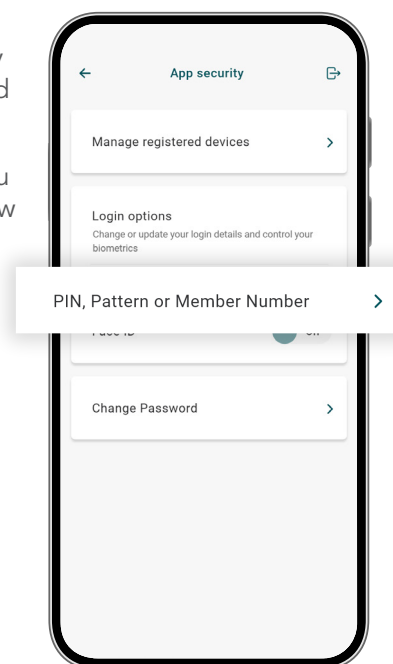

2 Select **Settings & security**, then **My settings**.

3 Click on **App security**. You'll see the option to change your PIN and/or pattern, or turn Face ID on or off.
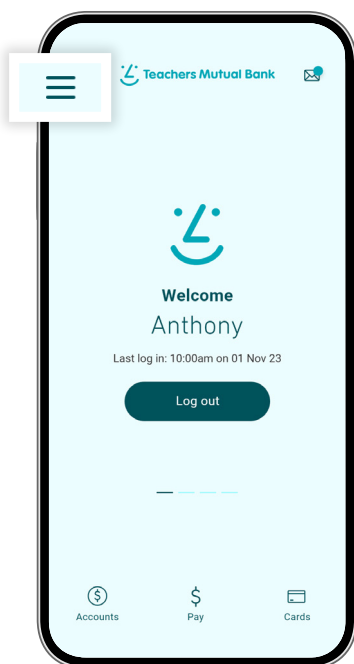

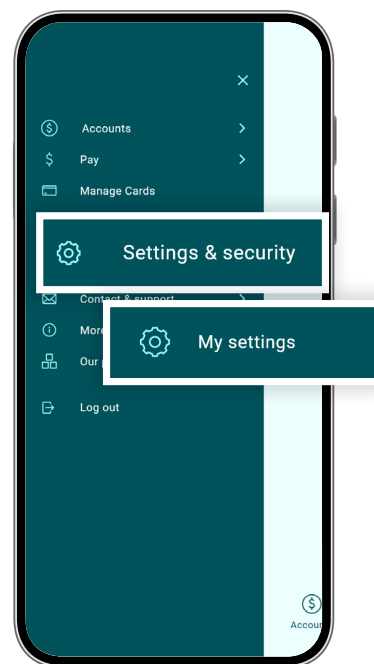

4 Before you can change your security options you will need to authenticate.

Then select what you want to do and follow the prompts.

# Manage your Password

Change or reset your Password

1 From the home screen, tap on the **three horizontal lines** in the top-left corner. The **main menu** will appear.
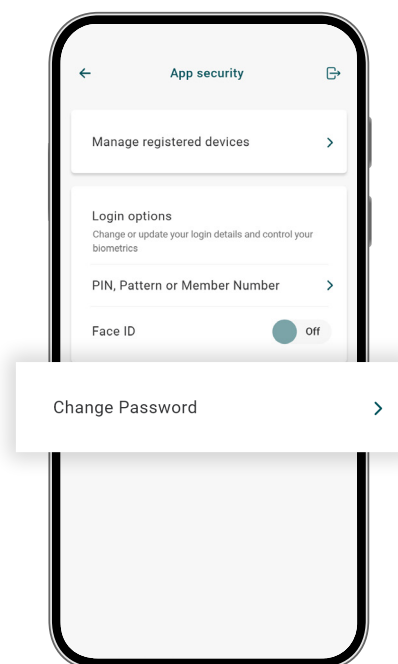

2 Select **Settings & security**, then **My settings**.

3 Click on **App security**. You'll then see the option to change your **Password**.

4 Select **Change Password** and follow the prompts. **To verify it's you, enter the SMS code** we send to your mobile phone.
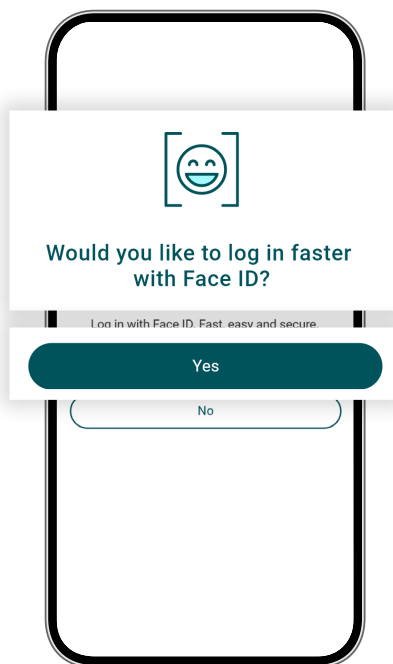

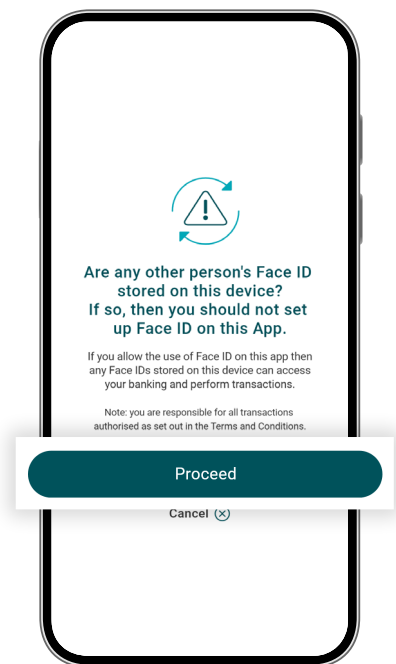

Facial recognition

Set up facial recognition (only for supported devices)

1 **After setting up your PIN or Pattern,** you'll receive a prompt asking, Would you like to **log in faster with Face ID?**
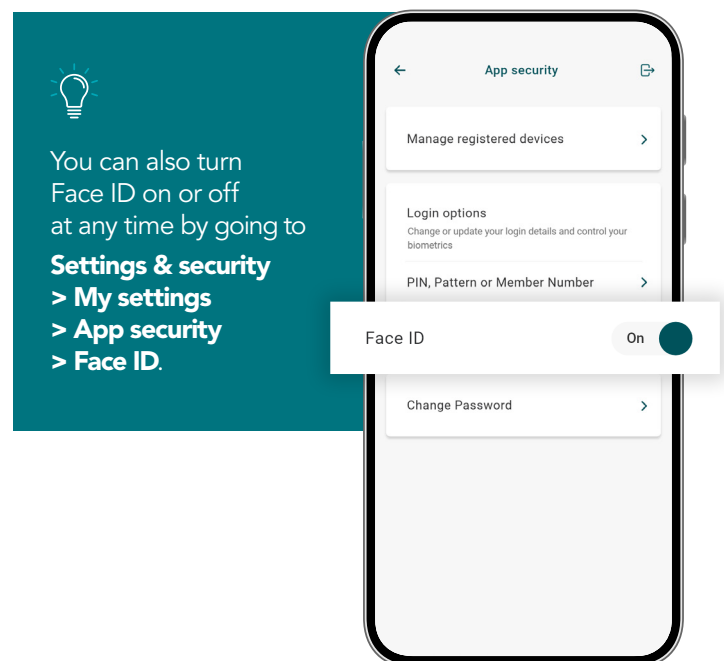

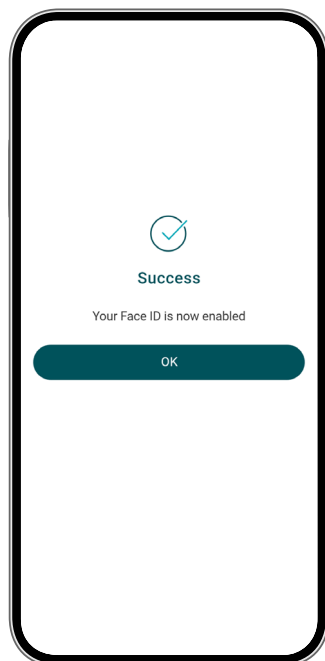

Tap **Yes**.

Would you like to log in faster with Face ID?

Log in with Face ID. Fast, easy and secure.

Yes

No

2 Tap **Proceed**.

⚠

Are any other person's Face ID stored on this device? If so, then you should not set up Face ID on this App.

If you allow the use of Face ID on this app then any Face IDs stored on this device can access your banking and perform transactions.

Note: you are responsible for all transactions authorised as set out in the Terms and Conditions.

Proceed

Cancel ⊗

3 **Follow the prompts to set up Face ID.** Once complete, you'll be able to log in to the app with your face, rather than entering a PIN or Pattern each time.

Success

Your Face ID is now enabled

OK

💡 You can also turn Face ID on or off at any time by going to

Settings & security > My settings > App security > Face ID.

← App security ⤴
